What people say.

"Everything now looks amazing."

"The end product is simply superb."

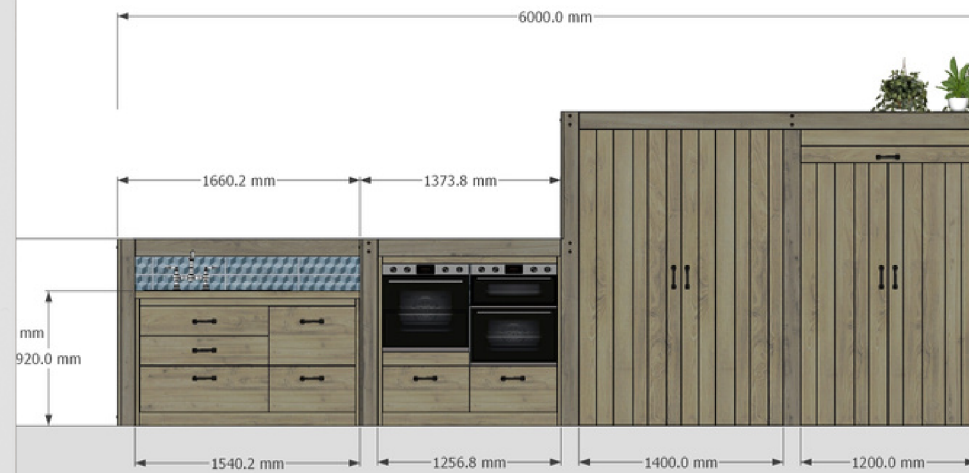

"Every detail was thoughtfully planned taking great care to ensure it all fitted with the visions we had for the house."

"Professional service and quality craftsmanship"

"I don't recommend many people because if they fail to deliver I feel responsible. With Hengovek Studio I have zero reservations about a glowing five star review."

What we offer you.

Design collaboration

Lets work together on securing the best results for your client.

You have the vision, we can help you communicate it and fill in the details.

Flawless fulfillment

The utmost confidence and peace of mind that we will deliver your vision to reality and ensure your clients expectations are exceeded.

Project

We can help you with suppliers and contractors. Over 20 years experience of renovations, restorations and new build projects.

The background of the image is a workshop filled with various wooden materials. In the foreground, there are several long, thin wooden planks laid out on a workbench. To the right, a wooden chair with a slatted back is visible. A warm, orange-toned lamp hangs from the ceiling, casting a soft glow. The entire scene is framed by a large, semi-transparent white rounded rectangle that serves as a container for the text.
